

GAUTENG TRANSPORT AUTHORITY ACT 2 OF 2019
GAUTENG DEPARTMENT OF ROADS AND TRANSPORT
NOTICE: THE DRAFT STRATEGIC TRANSPORT PLAN FOR GAUTENG PROVINCE IS AVAILABLE FOR PUBLIC REVIEW AND COMMENT

The Member of the Executive Council (MEC) tasked with Roads and Transport in the Gauteng Province hereby gives notice that the first draft of the Strategic Transport Plan (STP) for Gauteng Province prepared in terms of section 7 of the Gauteng Transport Authority Act 2 of 2019, has been completed and is available for inspection, public review and comment at the regional offices and websites stated below.

The STP for the Gauteng Province has been prepared in line with the requirements of the Gauteng Transport Authority Act 2 of 2019, section 7.

The updated STP will provide a strategic plan to direct transport planning in Gauteng for a fifteen-year period. The objectives of the Gauteng STP are to provide a long-term strategic planning framework for the integrated development of transport infrastructure and services in the Gauteng Province.

When preparing a strategic transport plan, the Transport Authority for Gauteng must have regard to :

- The National Land Transport Strategic Framework contemplated in section 34 of the National Land Transport Act, 2009;
- The Provincial Land Transport Framework contemplated in section 35 of the National Land Transport Act, 2009;
- The Integrated Transport Plans of the relevant municipalities contemplated in section 36 of the National Land Transport Act, 2009;
- Demographic, economic, social, travel and transport trends in the Province;
- Existing, planned, and projected land use developments;
- Trends and requirements of persons travelling from outside the Province into the Province, and vice versa, and the demand for such travel;
- Any proposals received from the public transport authorities and operators; and
- Such other matters as may be prescribed by the MEC or as the Authority considers appropriate.

The Transport Authority for Gauteng must further ensure that the strategic transport plan is consistent with relevant regional spatial development frameworks prepared in accordance with Part D of Chapter 4 of the Spatial Planning and Land Use Management Act, 2013.

The draft Gauteng STP builds on existing literature resources and reflects inputs received from stakeholders and key role-players during the past six months. The 30-day public review period of the draft Gauteng STP starts on **Thursday 20 February 2025 and ends on Monday 24 March 2025**. The public may submit written comments and inputs to the Department for consideration by not later than 24 March 2025.

Your input and comments will be very much appreciated and are an essential part of the planning process. It will also be appreciated if the public could adhere to the due date for submission of comments to enable compliance with the applicable timelines, which may mean that comments received after that date will not be able to be considered in time. Written comments may be in any official language.

Invitation to Interested and Affected Parties to attend a virtual meeting

The Transport Authority for Gauteng (TAG) invites all Interested and Affected Parties (I&APs) to participate in this public review process by attending a virtual public meeting as follows:

Date: Tuesday 11 March 2025
Time: 09h50 for 10h00 am until 13h00
Platform: MS Teams

RSVP: Please **REGISTER** to attend the meeting before/ on 06 March 2025 by sending an email to the TAG's Stakeholder Consultation Office at the following email address:
stpandiip@taggcr.co.za or toni@pietersenpp.com

All I&APs who register to attend the virtual meeting will receive a link to the meeting. Note that prospective meeting participants do not require MS Teams to access the meeting, however, they will need to join through a "browser" if they do not have MS Teams.

Locations where hard copies of the draft STP can be viewed:

The draft STP is available for inspection at the regional offices of the Department of Roads and Transport and all local municipalities in Gauteng (see list). An Executive Summary of the draft STP is available in the following languages at the public places listed (see list) or on request from the STP Stakeholder Consultation Office (details below): English, isiZulu, Sepedi, and Afrikaans.

Electronic copies of the draft STP and/or its Executive Summary may be obtained on request from the STP Stakeholder Consultation Office by sending an email to the following contact person:
